

This sheet contains the keywords for supplementary Oracle-X cards 225 to 246.

As with the previous releases, Oracle-X owners are free to add your own keywords and interpretations as appropriate.

These additional cards, allow Oracle-X owners to be able to reach deeper helping in obtaining richer and more accurate readings. The ability to customise your deck is unique to Oracle-X; we recommend only selecting the cards that feel relevant to you to be added to your deck at this point in time.
